

1. Given $\triangle DFW$ below, what is the area of the triangle?

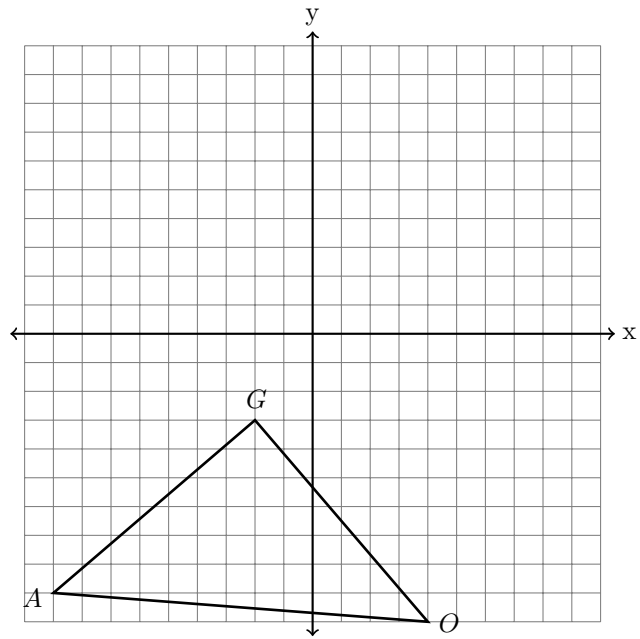

2. Given $\triangle ALR$ below, what is the area of the triangle?

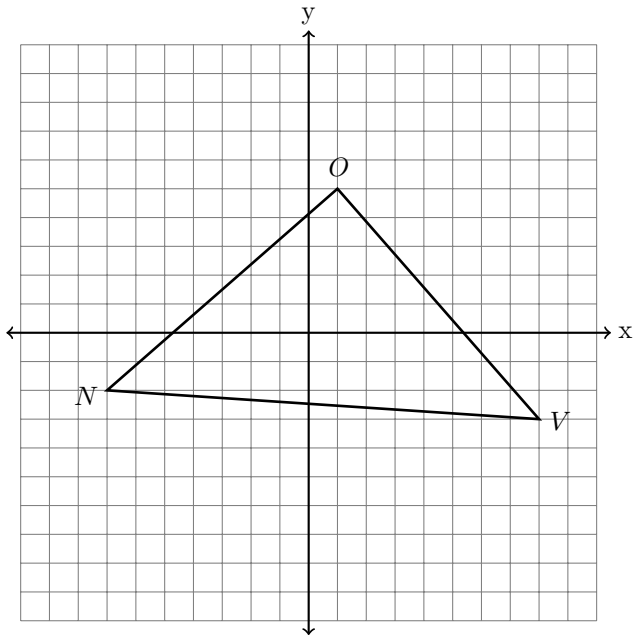

3. Given $\triangle DAZ$ below, what is the area of the triangle?

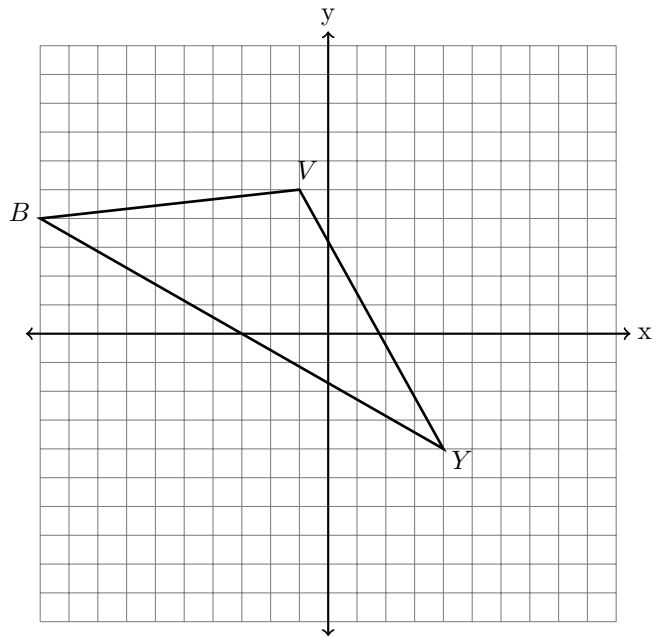

4. Given $\triangle AGO$ below, what is the area of the triangle?

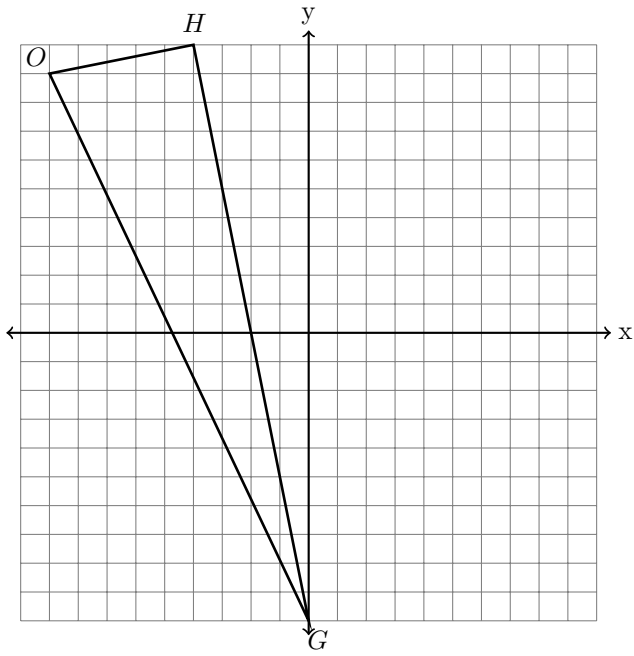

5. Given $\triangle NOV$ below, what is the area of the triangle?

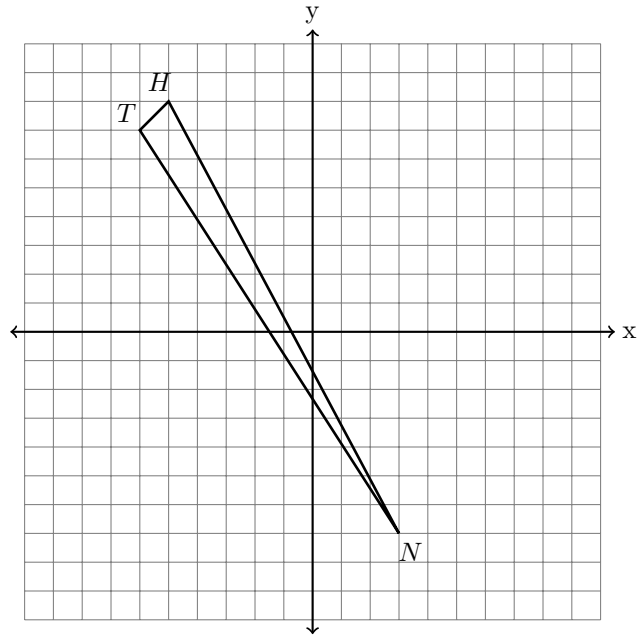

6. Given $\triangle BVY$ below, what is the area of the triangle?

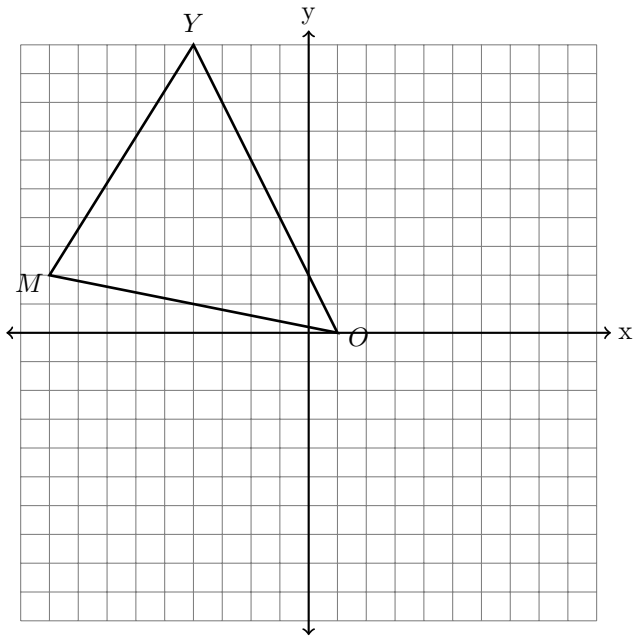

7. Given $\triangle OHG$ below, what is the area of the triangle?

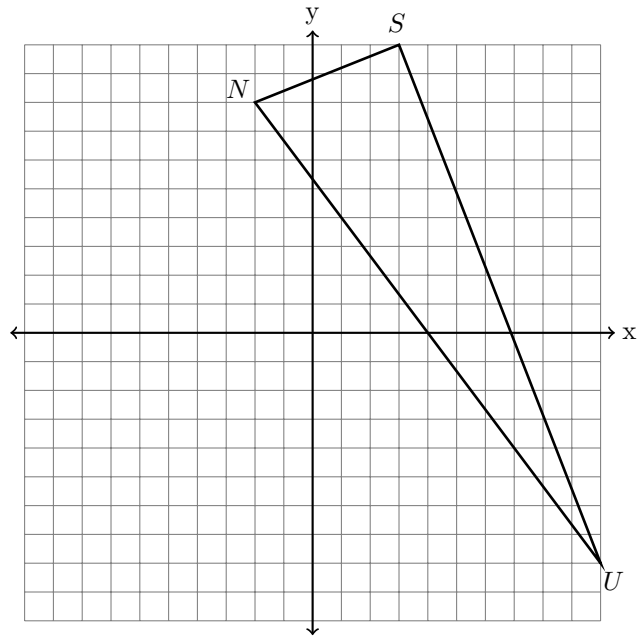

8. Given $\triangle THN$ below, what is the area of the triangle?

9. Given $\triangle MYO$ below, what is the area of the triangle?

10. Given $\triangle NSU$ below, what is the area of the triangle?

Name: _____ CLASS WORK

4.4 Area of Triangle - CWAnswers

#: _____

1. The area is 72.5.
2. The area is 72.5.
3. The area is 37.
4. The area is 42.5.
5. The area is 56.5.
6. The area is 43.
7. The area is 52.
8. The area is 11.5.
9. The area is 45.
10. The area is 52.
